SPRING GOLF CLINICS & SCHOOLS

2019 SPRING PUTTING CHALLENGE

February 15 – June 1

Our Spring putting challenge is back with a BLAST! This year, we want to know who has the best speed and accuracy. Using Blast Motion technology on the practice green, we measure your stroke tempo for speed control, and your ability to control putter-face rotation for direction.

To take the Blast Putting challenge, contact the Golf Learning Center and set up your initial 30-minute session. Follow up with as many training sessions as you can schedule!

On June 1, the participants who had the best initial tempo and face control and the participants who had the most improvement after training in those two categories are announced the winners.

All sessions are \$50.00 each, including the initial session. For more information or to register, please contact Director of Golf Instruction Carol Preisinger at 843.768.5765 or CPreisinger@Kiawah.com.
